MV1 was traveling northbound on Glen Road. MV2 was traveling southbound on Glen Road. A dog, unsecured and seated in the front passenger of seat of MV1, attempted to jump out the open front passenger window. The operator of MV1 attempted to close the open passenger window and grab hold of the dog while still traveling down Glen Rd. Form No: 0394 CRA-03 0918
V1 (Comcast) began right turn from Colonial Park Mall to Lowell Street. Exit/Entrance is single lane only. V2 also attempted right turn and collision occurred. V2 was pushed approx. 2 feet but was still over curbing far enough to indicating that the operator did not negotiate exit properly. V1 operator stated he signaled and was not making wide turn. V1 location indicated regular turn ratio. V2 position suggests tight turn over curbing. V2 operator stated he thought V1 was turning left so he made right turn. Failure to complete proper exit and or yielding to V1 probable factors in crash. No injuries observed/ reported. No obvious damage to V1. V2 damaged on right front fender and right side.
