MV1 was traveling northbound on Main Street/Route 38. MV2 was exiting the driveway of the Cumberland Farms Gas Station and attempting to make an illegal left turn onto Main Street/Route 38 northbound. There was a posted sign that states vehicles exiting the driveway can only turn right onto Main Street. MV2 failed to follow the sign and also failed to yield to oncoming traffic as she exited the driveway of the gas station. MV2 turned left out of the driveway and crossed three travel lanes and merged into the innermost northbound travel lane. MV2 did not yield to MV1 as it continued traveling straight ahead. MV1 collided with the right side of MV2 as it was entering its travel lane. MV1 suffered minor damage to its front end and front left side. MV2 suffered minor damage to its right side and front right end. There were no injuries and both vehicles were driven from the scene. Operator of MV2 was cited for Left Turn Where Prohibited.
