On 10/27/19, I was on patrol and located a two vehicle crash in the area of Lowell St and Woburn St. Veh 1 operator reported that he was traveling south on Woburn St. As he approached the intersection, his light (Woburn St) turned green. Veh 1 operator reported Veh 2 ran the red light and he collided with Veh 2. Veh 2 operator reported that she was traveling straight on Lowell St (MA Rt 129). She initially reported that she didn't know if her light was red or not. She reported it wasn't like her to run red lights so she didn't believe the light was red. Later she reported her light was green. When I asked if she knew if the other car had a red light she reported she didn't know. Veh 1 suffered damage to front bumper and grill. Veh 2 had damage to drivers door, front quarter, bumper and drivers front wheel. Veh 2 driver's side air bag was deployed. Cains towing arrived and towed Veh 2. Medical refusal for all involved.

Patrol Officer Rafael G Cruz

Wilmington Police Department 10/30/2019
The following was determined through my investigation: Upon arrival I observed V1 off the road, against Verizon pole 96, with significant front damage. The Opr was nearby sitting in the calling party's vehicle awaiting EMS response. From conversation with the Opr, I was informed that she lost control of the vehicle and slid into the pole. During my conversation and investigation of the crash, it was determined that the Opr was intoxicated and she was subsequently arrested for OUI. The Opr refused any medical treatment on scene offered to her by WFD, and FST's offered to her by this officer. The vehicle was towed from the scene by A&S towing to their facility. Once back at the station, the Opr was hooked and submitted to chemical breath testing with a result of 0.13% BAC.
