The operator of MV1 identified as Lexi Koss stated she was traveling on Shawsheen Ave towards Main St. when a vehicle she described as a Jeep pulled out of Aldrich Rd onto Shawsheen Ave. Lexi attempted to stop to avoid hitting the vehicle but was unable to. The impact of the crash caused front end damage to Lexi's car. Lexi also mentioned that a car behind her might have hit her rear bumper as a result of the crash but she was unsure. Lexi was unable to make contact with the operator of the vehicle she hit as well as the vehicle behind her. Officer Fitzgerald later made contact with the operator of MV2 and identified her as Alyssa Morrison. Alyssa stated she was traveling East on Shawsheen Ave when she slowed down for the stopped vehicle in front of her waiting to turn on to Aldrich Rd. Alyssa stated she thought that someone might have hit her car but was unsure and did not notice any damage to her vehicle. Images are attached.
Crash Narrative:

Vehicle 1 was travelling west on Salem Street towards North Reading. As Vehicle 1 came over the hill and approached Shea Concrete, the vehicle hit a large spot of snow and ice and lost traction. The operator attempted to regain control of the vehicle and was not able too. Vehicle 1 then struck the Utility pole on the side of the road. Due to air bag deployment, the operator was evaluated by the Fire Department and signed a refusal. Vehicle 1 suffered significant damage and was towed from the scene by Cains Towing. It should be noted that the road was completely covered in ice and snow and speed was not a cause of this accident. Several vehicles while on scene were losing traction at a very low speed.
