On 04/18/20 at approximately 01:01 while patrolling on Aldrich Rd. I came upon a motor vehicle parked on Aldrich Rd. at the intersection of Boutwell St. The vehicle had extensive damage to the front end and was locked. The front bumper was torn off and the right front tire was flat/damaged. After checking the area I found the vehicle had struck a utility pole approximately 50-100 feet west of were the vehicle was parked, in front of 98 Aldrich Rd. The utility pole was split and had been moved several inches. A resident from the area came out and told me he had seen the operator walking away from the vehicle.
