Crash Narrative:

MV1 was backing out of a parking space (headed westbound) in the CVS Pharmacy parking lot. MV2 was headed northbound through the CVS parking and traveling straight ahead. There were several other vehicles legally parked in other parking spaces around MV1. The operator of MV1 stated she checked in both directions before backing. Parked directly to the right of MV1 was a larger black vehicle with very dark tinted windows. The operator of MV2 stated he was traveling straight ahead and did not see MV1 starting to back up around the black and tinted vehicle that was parked next to MV1. MV1 continued to back out of the parking space. MV2 was unable to stop in time and collided with the right rear side of MV1. MV1 suffered right rear and right side damage. The right side airbags of MV1 were deployed and MV1 was towed from the scene by Cain’s towing. MV2 suffered front right and right side damage, but was driven from the scene. There were no injuries reported.
